

VOLUNTEERS WELCOME

Volunteer Positions Available:

Canine Companion: Volunteers will provide exercise and much needed time away from their kennel by taking the dogs on walks throughout the grounds of the facility. This is a physical, all-season job that can sometimes be a little dirty. Many of the dogs are large and untrained. Volunteers should be comfortable handling dogs of all breeds, size and activity level. Most of the dogs here at the shelter are over 40lbs.

Feline Friend: Providing enrichment and socialization for the cats here at the shelter by allowing the cat to explore the world outside of their kennel. This experience provides exercise and stimulation for the cats and helps with their overall health and wellness.

Dishes and Laundry: Assist in the morning or evening clean-up efforts by washing dishes and putting them away. Washing dirty laundry and folding and putting away clean laundry. This also may include organizing the laundry area.

Greeter: This position is available on our busiest days of the week, Saturdays and Mondays, between 11am–3pm. The greeter is responsible for helping with the flow of customers as they enter the shelter. As a greeter you will be responsible for interacting with customers, helping them navigate the start of the adoption process.

Cat Ambassador: As a cat ambassador you will be an advocate for all the adoptable cats in the shelter. This position is available on Saturdays from 11am–3pm and will be stationed in the adoptable cat room. The main objective is to answer questions about the cats, helping adopters match up to the perfect cat for their home.

Shelter School: Shelter School is a 6 week long basic obedience class taught by our certified dog trainers. During shelter school you will commit your time to working with a dog by helping them learn basic obedience training.
