

Listed below are rescue groups in attempt to help your family through this:

Rescues are volunteer and foster home based. Please have patience while they get back to you.

We also recommend visiting rehome.adoptapet.com and creating an account to rehome your pet on your own.

This gives you access to use the same resources available to shelters/rescues.

This concludes the list of rescues we have. You can also go to **petfinder.com** and search for rescues in your area. Please ask for other suggestions of places if they cannot help you. We do recommend doing your research on whomever you find to take your pet. Again, we apologize for any inconvenience in your search of re-homing your pet.
Best of luck to you and your family,
